October 1, 2021

To the A-State Graduate Council:

Please consider for your October 2021 meeting the attached Program Modification Form to establish an Accelerated option for College of Engineering and Computer Science (CoECS) students entering the Master of Engineering Management program. The CoECS Graduate Curriculum Committee unanimously approved this proposal.

I am copying Dr. Hai Jiang, CoECS representative to the Graduate Council.

Sincerely,

Brandon Kemp

Dr. Brandon A. Kemp, P. E.
Verbeth and Henry Ezra Coe Endowed Professor of Engineering
Professor of Electrical Engineering
Chair, CoECS Graduate Curriculum Committee
