## Information and Technology Project Request Form

|   |           |             | Section A         |    |              |             |  |
|---|-----------|-------------|-------------------|----|--------------|-------------|--|
| Requestor:  | estor:    |             |                   |    |              |             |  |
| Campus Address:   |           | Department: |                   |    |              |             |  |
| Phone:  |           | Fax:        | En                | na | il:          |             |  |
| Desired Project   |           |             |                   |    |              |             |  |
| Start Date:   |           |             | Project Location: |    |              |             |  |
| Project Description:  |           |             |                   |    |              |             |  |
| FOAP:   |           |             |                   |    |              |             |  |
| Must have these signatures to process estimate.   |           |             |                   |    |              |             |  |
| Requestor Signature:  |           |             |                   |    |              | Date:       |  |
| Dean/Director Signature:  |           |             |                   |    |              | Date:       |  |
| IMPORTANT NOTE-PLEASE READ AND INITIAL BELOW  |           |             |                   |    |              |             |  |
| form and fill in all the blanks in Section A then return to Information and Technology Services at ITS_Projects@astate.edu.<br>Once an estimate is generated the form will be returned to you. You will then need to complete the signatures in Section B<br>before project will begin. A-State Information and Technology Services provides estimates only and not guaranteed prices.<br>The price provided on this form is an ESTIMATE ONLY. When firm bids are received, the actual cost could be higher or<br>lower. Furthermore, any change to the scope of work will increase the cost of the project. The estimate is provided in good<br>faith and subject to market fluctuations. Approval to proceed with the project must be provided with appropriate<br>signatures. In Section B. ITS will begin the quote process and schedule design and construction once all signatures are<br>received. |           |             |                   |    |              |             |  |
|   |           |             |                   |    |              |             |  |
| Requestor's Initials:   |           |             |                   |    | Date:        |             |  |
| Section B   |           |             |                   |    |              |             |  |
| APPROVAL FOR PROJECT AS DESCRIBED ABOVE WITH AN ESTIMATED<br>COST OF: <sup>\$</sup>   |           |             |                   |    |              |             |  |
| Signature of Reque  | stor:     |             | [                 |    |              | Date:       |  |
| Signature of Dean/  | Director: | •           |                   |    |              | Date:       |  |
| For Office  |           |             |                   |    |              | ce Use Only |  |
| Date Received:  |           |             |                   |    |              |             |  |
|   |           |             |                   |    | WO #:        |             |  |
|   |           |             |                   |    | Assigned to: |             |  |
