---

Short Title: A resolution for the establishment of an outdoor and recreation experience program, Red Wolf Explore, on the campus of Arkansas State University.

- Whereas, the arts, culture, and outdoors are major areas of interest for college students, faculty, and staff; and
- Whereas, creating a program that encompasses these interests through off-campus activities will help increase morale on campus; and
- Whereas, this program will offer cultural experiences for our students from different regions; and
- Whereas, the Red Wolf Explore committee will be formed consisting of one appointed senator, a member from the SGA Executive Staff, a director from the Red Wolf Center, and any interested faculty members who share the interest and knowledge for the arts, culture, and outdoors; and
- Whereas, the duties of the committee members will be to operate, organize, and arrange the activities hosted by this program; and
- Whereas, the payment for participation in this program will be based on the cost of each activity and be paid upfront by any student, staff, or faculty member wishing to participate.

BE IT THEREFORE RESOLVED BY THE STUDENT GOVERNMENT ASSOCIATION OF  
ARKANSAS STATE UNIVERSITY THAT:

1. The Excursion Chair senator position shall be elected by open nomination in general session with a simple majority.
2. The appointed senator will be responsible for attending all committee meetings and for the operations that go into organizing the activities.
3. The role of the Excursion Chair will be added to the Arkansas State University Student Government Association Constitution subject to the passage of the upcoming Constitutional Amendment proposal. If the proposal is passed by the SGA Senate, it will be placed on the ballot for the student body to decide.
