Support for Faculty Senate Post Office Resolution

Short title: A resolution to support the Faculty Senate Resolution regarding the ASU post office.

Whereas, the United States Post Office Department Granted Arkansas State University (then Arkansas A&M) an independent post office in 1925, and

Whereas, since that date, full postal service has been available on the ASU campus complete with postal rental boxes and separate zip code, and

Whereas, having an independent post office on campus is a convenience for students, staff and faculty, and

Whereas, the Arkansas State University independent post office has given this university a national identity that is unique and after 79 years it has become a fundamental part of the heritage and tradition of this university, and

Whereas, since 1967 the identity of Arkansas State University has been proudly tied to its unique State University address, and

Whereas, such a unique identity is a priceless asset to be preserved and not thrown away without consideration or campus wide discussion,

BE IT THEREFORE RESOLVED BY THE STUDENT GOVERNMENT ASSOCIATION OF ARKANSAS STATE UNIVERSITY:

1. By this resolution, the Student Government Association, records its' strong support for an Independent post office on the ASU campus, and
 2. We, the Student Government Association, proudly support the resolution by the Faculty Senate calling on the administration to due whatever is necessary to keep the United States Postal Service on the ASU Campus
