## Student Recreational Facility

---

SHORT TITLE: A resolution for the construction of a new student recreational center on the campus of Arkansas State University.

Whereas, Fitness and Health continue to be a major concern for college students, faculty, and staff and

Whereas, Our current facility, the Hypess, is 30+ years old and was originally built for the sole purpose of academic use which in turn takes away a lot of time that students can freely use the facility for recreation and

Whereas, The building's fitness facilities are very limited and

Whereas, The Fitness Club, located in the Student Union, is not large enough for ASU's student population and
