Date: March 30, 2010

**Green Policy**

Short Title: A policy that when enacted will place recyclable trash cans for aluminum, paper, and plastic on every floor of every dormitory facility at Arkansas State University,

Whereas, Arkansas State University has placed these same recyclable trash cans in other buildings on campus in an effort to prevent waste, and

Whereas, currently there are no recyclable trash cans in the dormitory facilities on campus, and

Whereas, students have no ability to dispose of paper, plastic, or aluminum products properly, and

Whereas, placing these trash cans on every floor will allow for convenient use by students, and

Whereas, in an effort to become more environmentally friendly, Arkansas State University should place these trash cans in the dormitories.

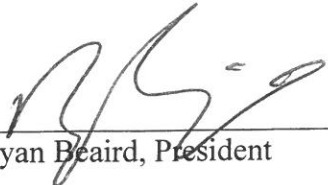

**BE IT THEREFORE RESOLVED BY THE STUDENT GOVERNMENT ASSOCIATION OF ARKANSAS STATE UNIVERSITY THAT:**

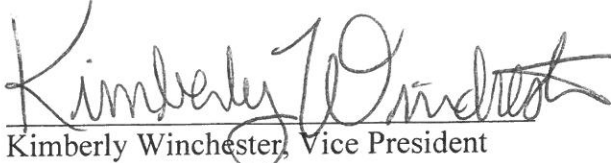

Effective by the fall semester of 2011, the Department of Residence Life will purchase and install recyclable trash cans on every floor of every dormitory facility.

EMERGENCY CLAUSE:

In light of the upcoming SGA administration change, this resolution shall be handled in an expedient manner, and be put into effect immediately upon approval of the Senate.
