- Whereas, the Student Government Association publishes resolutions that pass and fail to the Student Government Association website and adds them to the archive; and
- Whereas, when Senators vote they are indicating “yay”, “nay”, or “abstaining” on a resolution; and
- Whereas, the constituency should be afforded the opportunity to look-up how their senator, whether college or class senator, voted; and
- Whereas, to ensure that Senators are representing their constituents, the addition of how Senators voted on a resolution should also be added in attachment to the resolution to the archive.
