Re: Shared Governance Proposal 14 FA 02, Pre-Tenure Faculty Review Process

On Wednesday, February 4, I received Shared Governance Proposal 14 FA 02, Proposed Changes to ASU Faculty Handbook of Policies and Procedures, regarding the annual pre-tenure faculty review process. Based upon the unanimous approval of the proposed revisions and support from Faculty Senate, Deans Council, and Chairs Council, I approve Proposal 14 FA 02.

Pursuant to the Shared Governance Proposal Review Process, the campus community will be informed of my decision, which will be done through the ASU Digest.

Thank you for your leadership and please extend my appreciation to the Shared Governance Oversight Committee for their participation in the shared governance process.
