Re: Shared Governance Proposal 14 FA 03, Selection of Chairs, Academic Deans, Academic Vice Chancellors and Provosts, and Chancellors

On Wednesday, April 1, I received Shared Governance Proposal 14 FA 03, a proposal to edit the ASU Faculty Handbook regarding selection of Chairs, Academic Deans, Academic Vice Chancellors and Provosts, and Chancellors. After considering the proposed changes and majority of support by each of the constituency groups, I approve Proposal 14 FA 03.

Pursuant to the Shared Governance Proposal Review Process, the campus community will be informed of my decision, which will be done through the ASU Digest.

Thank you for your leadership and please extend my appreciation to the Shared Governance Oversight Committee for their participation in the shared governance process.
