Review of Minutes: Minutes for the June 7, 2010 meeting were approved.

Agenda Accepted: 7/12/10

New Business:

Graduate school is asking for an interim proposal regarding transferring graduate hours. Currently, there is an unwritten practice regarding graduate hours; if the hours were counted to a degree previously, then they can not be transferred to ASU. However, if they are an ASU student, then the transfers can occur. However, if the hours were not used to a degree at another university, then they can be transferred to ASU. An interim policy has been proposed that departments should continue following the guidelines that have previously used. This policy may be changed after going through the shared governance policy in the fall semester. Bill Humphrey made a motion to allow departments to utilize existing practices until shared governance is able to reevaluate the policy and propose new practices. Julie Isaacson seconded the motion. There were no members opposed to the interim policy.
