

Assessment One-Pager—Initial Programs

This is a matrix of assessments for each program’s instructors and program coordinators. These are to be completed and verified by program coordinators to ensure each program is collecting necessary data at specified points in time. This does not include all program and key assessments included in our Quality Assurance Plan.

Measure	How measured?	Who and Where?	When completed?	Who’s responsible?
Capstone Internship Summative Assessment	Capstone Internship Portfolio (edTPA tasks 1-3)	Students upload to Livetext	End of each internship semester (December and May)	Each University Supervisor scores in Livetext; each program coordinator checks for completion
Educative Teacher Performance Assessment (edTPA) (Pearson SCALE)	20% of all completed edTPA portfolios in each program	Selected Students upload to Pearson SCALE	End of each internship semester (typically October/November and March/April)	Each program coordinator works with edTPA coordinator to ensure completion
EDA (Educators Dispositions Assessment)	EDA assessment tool (this is a self-assessment)	Student places in BB organization Admission to TE	Varies by department screening committee (typically meet at end of each semester for the next semester program enrollment)	Each program screening committee and verified by each program coordinator
EDA (Educators Dispositions Assessment)	EDA assessment tool	Faculty assess and submit in Livetext	End of each internship semester (December and May)	Each University Supervisor scores in Livetext; each program coordinator checks for completion
EPP Technology Plan—Lesson Plans Assessment	Technology Integration Assessment Rubric	Candidates submit in BB	End of each semester per course/instructor	Each course instructor; each program coordinator checks for completion
EPP Technology Plan—Internship Observations	AState Formative and Summative Evaluation tools	Candidates upload to Livetext and Faculty upload to PEP Dropbox	End of each internship semester (December and May)	Each University Supervisor scores in Livetext; each program coordinator checks for completion
EPP PLC Plan—checkpoint 1	Modules 1 & 2, PLC Simulations 1 & 2, and PLC Assessment I	Candidates submit in Blackboard	TE 2003 and SCED 2513 (each semester)	Each course instructor; each program coordinator checks for completion
EPP PLC Plan—checkpoint 2	Module 3 and PLC Assessment II	Candidates upload to Livetext	Each program’s assessment course: ELED 3103, ELSE 4153, ELSE 5043, MLED 3043, SCED 4713, TE 6043 (each semester)	Each course instructor; each program coordinator checks for completion
EPP PLC Plan—checkpoint 3	Modules 4 & 5 and PLC Simulations 4 & 5	Candidates submit in BB	Each program’s methods course: 1 for ELED & MLED, ELSE 4203, EDAG 4623, ARED 4703, EDEN 4553, EDSS 4603, EDLA 4633, EDMA 4563, MUED 4623, EDPE 4583, EDSC 4593, ELED 6023, MLED 6443, ELSE 5003 (each semester)	Each course instructor; each program coordinator checks for completion
