Education

- December 2012 Doctor of Philosophy in Population Health Sciences
Department of Population Health Sciences
University of Wisconsin- Madison
Dissertation Title: *Pending Microbiology Cultures at Hospital Discharge
And Post-Hospital Patient Outcomes in Medicare Patients Discharged To
Sub-Acute Care*
- December 2012 Graduate Certificate - Type 2 Translational Research
UW-Madison Institute for Clinical and Translational Research
- December 2009 Master of Science in Population Health Sciences
Department of Population Health Sciences - UW-Madison
- December 2003 Graduate Certificate - Laboratory Quality Management
Department of Pathology & Laboratory Medicine - UW-Madison
- May 1999 Bachelor of Science in Medical Technology
Department of Pathology & Laboratory Medicine - UW-Madison
Medical Technology Program

Employment

- 8/2016 – present Assistant Dean for Special Projects
College of Nursing & Health Professions
Arkansas State University- Jonesboro
- Provide leadership for Bachelor of Science in Health Studies
 - Assist Dean with College activities (recruitment, grievances, student issues)

- 1/2011 – present Department Chair and Associate Professor
Clinical Laboratory Sciences
Arkansas State University – Jonesboro

 - Design, implement, and evaluate the curricula for the CLS/CLT programs
 - Maintain all aspects of NAACLS accreditation
 - Represent the CLS department in official activities of the university
 - Support and direct CLS faculty involvement in research and service initiatives at university, state, and national levels
 - Teach courses (CLS 4222/4232 Senior Seminars I & II, CLS 4204/3524 Blood Banking Clinical Practicums, CLS 2563/2561 Immunohematology I, CLS 4333/4331 Immunohematology II, CLS 410V Special Problems in CLS, HP 4323 Patient Safety)
- 8/2005 – 5/2012 Education Coordinator and Associate Faculty Associate
Clinical Laboratory Science Program
Department of Pathology & Laboratory Medicine
University of Wisconsin- Madison
- Course director - CLS 515 (Normal Hematology), CLS 516 (Abnormal Hematology), CLS 575 (Clinical Practicum), and CLS 514 (Hemostasis)
 - Course instructor - CLS 310 (Phlebotomy)
 - Course assistant - CLS 550 (Immunohematology)
 - Advisor - academic & career advising for undergraduate students and Clinical Laboratory Science Student Organization
 - Coordinator – mandatory and elective student clinical rotations at UW Hospitals & Clinics and other Madison laboratories
- 5/1999 – 8/2005 Health Technologist - Hematologist
Clinical Pathology Laboratory
National Primate Research Center - UW-Madison
- Analyze non-human primate samples in support of research and veterinary staff (within the fields of hematology, microbiology, parasitology, chemistry, and urinalysis)
 - Supervise and train undergraduate student workers
 - Organize and maintain multiple serum and DNA banks
 - Occupational safety and health officer

Professional Certification

June 1999 Medical Technologist (ASCP) national certification awarded

Awards

2014-2019	Omicron Sigma Award, American Society for Clinical Laboratory Science - Arkansas (ASCLS-AR)
2017	Faculty Achievement Award in Professional Service, Arkansas State University- Jonesboro
2014	Member of the Year, ASCLS-AR
2013	Omicron Sigma Award, Region VII, ASCLS
2005-2011	Board Service Award, ASCLS-WI
2006-2012	Omicron Sigma Award, ASCLS-WI
2010	Member of the Year, ASCLS-WI
2006-2008	Omicron Sigma Award, Region V, ASCLS
2008	Recipient, Weisburg Post-Graduate Scholarship, ASCLS-WI
2007	Recipient, Outstanding Population Health Science Student Scholarship
2004	Key to the Future Award, ASCLS-WI
